

## Hi Precinct 2004 Democrats,

After Trump won the election I decided I had to do something more than march and write my representatives. So I volunteered to be the precinct chair for precinct 2004 in the hopes of increasing the Democratic vote. I hope to send a monthly email that will contain information to make it easier to vote. I also hope to foster community morale by holding open houses or meetups, keeping everyone informed of candidates and election information, and encouraging everyone to become involved.

Sincerely,  
Roberta Stavely  
*Precinct 2004 Democratic Party Chair*

## How You Can Help Get Democrats Into Office

**Vote In the Democratic Primary in March** – Primaries are largely funded by the state and a part of that money is proportionally allocated based on number of voters in the party's primary.

**Become a sustaining member of the Denton County Democratic Party** – Candidates use the resources of the party to navigate the system and learn how to run their campaign. It begins at the county level. You can give as little or as much as you want.

**Consider running for office** – A lot of offices go unchallenged. Although many offices seem non-partisan, they are often used as stepping stones for future Republican candidates. And many positions pay a lot of money. Deadline to file is December 11, 2017.

**Help your precinct chair –**

- Hand out invitation flyers
- Hold an open house in your neighborhood
- Knock on doors to identify liberals like yourself who want to stay informed and elect more Democrats. I can supply a list of likely Democrats so it is not too daunting.
- Call a list of likely liberals to identify people who want to stay informed and elect more Democrats. I can supply a list of numbers from the registration database.
- Greet people who have recently moved to the precinct in the hopes of identifying a liberal who wants to elect more Democrats.
- Keep local apartments supplied with voter registration applications.
- Email Roberta at rs.precinct2004@yahoo.com

**Decide to give to a candidate** – I will try to keep an up-to-date list of candidates as I find out about them. The registration deadline for candidates is December 11, 2017 and the primary is on March 6, 2018.

**Volunteer to create/maintain a newsletter or web site for the precinct.**

**Have any ideas of your own** – What do you think would help get out the vote? Let your precinct chair know. Maybe there is a way you can help that she has not considered. Any ideas and help are welcome.

## Volunteer Deputy Registrars Needed for Denton County

Volunteer deputy registrars can distribute voter registration forms to residents of Denton County, as well as accept completed forms from such individuals, including for the purpose of correcting information (such as for a change of address). The process is fairly simple in Denton County and requires the following:

- 1) Complete a Request for Appointment pdf on the [www.VoteDenton.com](http://www.VoteDenton.com) web site.
- 2) Register for a volunteer deputy registrar training class (takes about 30 minutes to complete).
- 3) If eligibility is confirmed, you will receive a certificate of appointment and receipt book from the voter registrar.

For complete rules, eligibility requirements, and other details, please visit the web site above. Walk-ins are deputized by the Denton County Elections Department between the hours of 8 a.m. and 4 p.m. Monday - Friday, excluding holidays and election cycles, at 701 Kimberly Drive, Ste. A101, Denton, TX 76208.
